Linda M. Rice

DEC 17, 1953 - FEB 13, 2024

We are saddened with the passing of our dear Mom, Linda M. Rice, age 70, of Manawa, WI. She moved on to her next great journey on Tuesday, February 13, 2024. Linda was born December 17, 1953 in Wauwatosa, WI; daughter of Jesse Jr. and Ardyce (Nollenberg) Rice. Through most of her life she formed many relationships, especially during her time as a Naturopathic Doctor and spiritual mentor, making connections and experiences along the way. Linda cherished her family, and many friends who she called family, more than anything. She would want to be remembered as being kind in the unkindness, loving in the unlovableness, and hopes to have left a legacy of courage and tenderness to all.

Linda is survived by her loving children Theodore (Lisa) Fenske of Manawa, Jessica (Sarah) Fenske of Waupaca, Hannah (Mark) Fenske of Marquette MI, and Andrea (Kevin) Clark of Green Bay; and her six amazing grandchildren Kody, Kadin, Kale, Logan, Piper, and Ardyce who were the absolute lights of her life.

She was preceded in death by her parents Jesse Jr. and Ardyce Rice.

A Celebration of Linda's Life will be on Saturday, February 24, 2024 at 2:00 PM at the Manawa Masonic Center, 520 N. Bridge Street, Manawa, WI. Visiting and continued sharing of memories will follow her service at the Masonic Center. In lieu of flowers, memorials are appreciated to The Lost Companion, P.O. Box 282, Wild Rose WI 54984 (thelostcompanion.com) The Holly Funeral Home of Waupaca is assisting the family with arrangements.

I met Linda Rice at my weakest moment of my life and she has been a glorious addition to my life. Through the death of my parents, my husband's Stroke and My MS. I will miss her tremendously. Sympathy and God's blessings to your family.

My family attended same church in Ogdensburg as the Rices. Recall around age 4, 1st time I saw Linda as a baby in church. We grew up together in that church, had more great conversation's plus laughs over the teachings & our parents. We became connected later in life through FB & by doing many Reiki sessions with Linda that spread over years. I've only learned of her passing last night, I'm still in disbelief. Just went back to read all the messages we had exchanged. Oh my how I will miss her kindness & wise words, she always made time for me. Sending hugs & continued loving memories to those who were blessed to call her Mom & Grandma. So many of us will miss her! ❤️

What a beautiful Soul Light and Gift we all experienced in knowing Linda! I hosted Linda at my Madison/Middleton Spa for 10 years and all who knew her were enlightened, guided with a motherly-firm touch and words of wisdom. I will miss her on this earth plane, but honor and feel her energy surrounding us each. I will miss seeing the pride & playtime with the g-kids on FB and her wisdom posts shared. Sincerest condolences to all the family - blessings

My dear sweet neighbor...I will miss you so very much. Linda and I would often leave random gifts for each other throughout the year. Gnomes, wind chimes or sage or something that just made us think of the other person. I will treasure the last gift she gave me...an ornament with a picture of my husband and I on it. I will miss her words of wisdom and her smile as she pulled out of her driveway. I will also miss her sitting in her peaceful place under the Maple tree in her back yard with a nice fire going just about every night during the summer. We used to joke that Her solar lights and mine from above must have looked like an airport landing strip. I am proud to have known her. I will miss you my friend.

I have had the privilege of being with her many times throughout the 20 plus years being uplifted both physically as well as spiritually. I looked forward to every visit with her and when I left always had a suggestion for improving health and spiritual wellness. Dr. & Mrs Edmund Thoe suggested that I go see her years ago as they were going to see her and were impressed with her too. She was a shining example of goodness, kindness & love. Leslie Thoe

I will never forget all the gatherings under the underwear tree just watching you observe your family and taking every moment in. You told me that it was the best part to just watch. You were a mentor, a friend, and a mom-in-law with out the paperwork (lol we joked) Your support has made me a strong and wiser crone.

You gave me the family I no longer had. Our little messages and personal jokes will be missed greatly. The best part was we had our laughs about the weirdest things. Well my dear, im sorry this was our last meeting. But it will be a hell of a memory I will never forget. You giving me an enema. OMG, you poor thing that had to be a site. I will miss you deeply Linda, Lisa

It is always a wonder to me that the world continues to turn when someone so marvelous has died. I like to believe Linda has fulfilled the reason she was on the planet and has returned home to the stars from where we all have come. She has forever changed me with her incredible kindness, generous spirit, ancient wisdom and sincere honesty, many times given after a short pause as she considered her words, which were always spoken with great love and a smile. I am grateful to have known her, a lovely human being, a true testament to loving kindness and unconditional love itself.
