Claude, you will be missed by those that you left behind but I am sure that you are comfortable and happy with all the friends that regretfully passed before you. Rest in Peace and say hello to all our friends already there.

Claude came to visit my husband Mike Castellion and I during the Superbowl game and spent the night with us, he said he wanted to say his goodbyes to us because his doctor gave him 5 months to live, I was devastated I left the room and went to my bedroom to cry, I didn't want him to see how torn up I was!! When he was here I made smothered pork chops and sliced potatoes in a nice homemade gravy, he absolutely loved it, for dessert I made him his favorite dessert which was my Grandma Wyman's recipe A homemade chocolate cake w/ homemade buttercream frosting he was so appreciative for it all!! We love you Claude and you're going to be missed big time!! R.I.P my friend! My condolences to his entire family!! Judy/Mike Castellion
