Uncle Dan was a good uncle to me, he use to watch over us (me and sister) when we were younger. He always had a good joke to tell us when we were older. I will always keep him in my heart and think of him always. I Love You uncle Dan!

Thanks Scott! Why do we wait till someone is dead to say I miss you. My last visit with Dan was light hearted, a cynical remark here and there. There was turn childish banter when we last spoke. This was the same day Bruno, our keen Aussidoodle was on to him, two tricksters on a romp. I could go one with the antics but yet the thinks you remember about Dan are the same as me.As I told my 15 year-old daughter Klaire, who has had many positive experiences with Dan asked me the same day I told her about his death was that she'll never figure out how he got that invisible ball into that brown paper bag..I know Klaire....Miss you Dan
