Paula was one of the sweetest people I've ever known! We were country neighbors throughout high school and frequently went for walks down to sunset lake together. We always enjoyed our birthdays being just 2 days apart (hers the 13th, mine on the 15th) which makes the timing of all of this that much harder! I'm so very very sad! My condolences to all who loved & lost them. May you someday find a way to heal and find peace. My heart goes out to you!
