I sold my house to Bev in December 2014, she lived there for like 11 years. I used to live by her and we went to casino a few times and we would sit outside in garage when it was warm and talk. She used to have 6 cats and a dog, then she went down to 3 cats. My son and I helped her clean basement and whatever else she needed. She would be greatly missed, she was a good friend. I liked her, it is unusual to be the seller and she the buyer we became friends, she was just a few years older than me. Condolences to her family, sorry for your loss.

I haven't seen or heard from Bev in years 😞 but I remember her like it was yesterday. Tall slender, blonde long hair when we were teenagers. I used to spend the nights with her on 8th street where she lived with her dad, mom, and brothers. She always had to play her records to sleep, her favorite was Peter Frampton. Went to Wisconsin state fair with her and her family. Wish we would have stayed in contact. Very nice sweet beautiful person. Prayers and comfort 🙏 for her family. And she always had the best blue jeans 👖 bought from fleet farm, she used to let me borrow a pair. She made me the best grilled cheese sandwich I've ever had. Rest in peace 🙏 Bev

Even though we haven't seen each other in many years. I will always remember you Bev! All the laughter and memories we had throughout high school. I remember the numerous nights I had stayed over and the concerts we went to. Our lives took us on different paths, but the memories we made together stayed close to my heart. My deepest sympathies to Juanita, Jack, and George for your loss. Lord, may your angels open the doors of heaven and greet Beverly with open arms. In Jesus' name Amen
