“ Dear Dan, Dorota, Sue, grandkids, all of Donna's family and friends, we were
blessed to have her in our lives. I recall an Easter many years ago when my family
drove to visit Aunt Donna and Uncle Chet near Milwaukee, a very thrilling event for
us. Our aunt had made the most beautiful Easter eggs we had ever seen, brightly
colored and marbled! We sat at a big table with a sumptuous feast. Uncle Chet made
us kids Kool-aid, a treat which we all appreciated, and we drank every drop. But
when seconds were offered, we politely declined. That's when Donna said, "Chet, did
you put sugar in the Kool-aid?" So much to cherish about Donna, I recall her humor
and great laugh, her hospitality and always delicious food, and the super fun visits
(mixed with a little friendly gossip and a beverage or two). Our Donna was so loving
and loved-a truly beautiful soul. Christy

“ Whenever you went to their home, there was always a nice welcoming and surely a
dessert of some sort. She and Chet always had the nicest smiles and laugh. My
children when they were very young always liked when we went to visit them.
