“ Carla Deist

I do not use these words lightly when I say.
It was a Joy to have Kathy as a customer in my Salon.
More important it was a Blessing to have Kathy as a friend.
Every five weeks for many years in the Salon Kathy and I shared fun stories of family and events.
Kathy was my positive friend. Kathy always saw good coming from bad, always upbeat, always strong and kind.

Beautiful Ships that pass in the night are people that passed through My life.
People I connect with and they have helped me become a better person because I knew them.
Kathy is one of My most Amazing Beautiful Ships.

My heart is sharing the sadness with your family.
I will truly miss Kathy.

“ I just learned of Kathy's passing today. I have so many memories of 4H and our kids hanging out at the fair. And of course the many chats at the Coop. I can't believe she's gone. Our love goes out to the family. She will be deeply missed.

“ I Will remember stopping by Kathy's home and admiring and enjoying the varieties of flowers especially petunias she had grown - they grew so lush and beautiful with her care for them. I was so grateful for her friendship and generosity to family members. Though we didn't see her often we will miss her presence.

“ I am so sorry to hear about Kathy, I know the family will miss her dearly. Her and I met when our kids got married and we hit it off very well. We always thought it was so funny that we had the same names as her and Dave. I will miss her. My condolences to the family.

“ I am deeply saddened to hear about Kathy. We met in kindergarten and became friends. We walked to school together, had sleepovers, and went to the cottage on Silver Lake with her. We had a lot of fun together. Her Aunt Norma would take the two of us on short trips too. I have great memories of Kathy and her family. You all have my deepest sympathy and prayers.

Sincerely
