“ I’m don’t know where to send condolences as I never met any of Lucille’s family. I knew Lucille from Bethany where my mother- in - law lived for many years and where my mother lives now. I always enjoyed spending time with her when we would visit family and I’ve missed seeing her during the COVID lockdowns. My sincere sympathy to all of the people who loved her and will miss her. She is free of the pain she suffered and is now at peace with the Lord and with her dear husband.

“ I became acquainted with Lucille when I became a resident of Bethany Pines. I enjoyed talking to her, she always had a smile and a positive attitude. She is at peace now, with her beloved husband. What more could we ask.
