“ I have so many fond memories of Grandma Natalie. I'm fortunate to have had her as a Grandma.

A prime example of my Grandma's love was when she accidentally tossed my new fishing pole into Sunset Lake. She took one look at me. Grabbed a hook pole. Stepped out onto one of the Pantoons. Stretched over practically on one leg and extended the pole to scoop it up. All the while Grandpa Red was shaking his head and telling her to get back in the boat! She handed me the pole and nodded.

You will be missed and forever remembered!!

“ Dear Colleen and family and Hoosie and family....Aunt Natalie will be remembered as a classy lady who always kept herself looking so beautiful.....even if it was a Packer shirt with a little bling! So many nice memories, which I now value even more, of growing up in a time where the extended family was an important part of everyday life.....love and security and togetherness that many children today do not know. Aunt Natalie was part of that blessing in my life and I'm very thankful. Love and sympathy go out to each of you from John and myself.
