“ Dear Cathlene: So very saddened to hear of Stewart's passing. Received a call from Jim Knutson late this afternoon, too late to attend visitation or services.

Please accept our condolences. Always enjoyed talking to Stewart and very privileged to have been able to visit with him, his brother and Ann several weeks ago. We had a very nice visit when he was doing reasonably well.

Your 50th wedding anniversary celebration was especially meaningful, now, in light of his passing.

Barbara and I wished we had known about his passing so we could have paid our respects. Know, however, that he was and always will be in our prayers.

God bless you, your children, and his entire family.

“ My sincere condolences to the loss of Stuart. I always enjoyed corresponding with him when I was on the Portage County Board of Supervisors from 1984 to 1988 about different transportation issues especially the airport committee. I also at times patronized his True Value Hardware Stores in Almond and Plainfield, WI when I was doing Electrical work in the area. May God rest his soul. I will remember him in my prayers.

“ Dear Family,
As a former Almond resident I and my husband shopped often at your Hardware store. Both of you were always so welcoming and friendly. Thank you for the friendship and "welcome" to Almond we received from you and your family. You will always be remembered as "friends".
